Dear Business Owner,

We are contacting you today on behalf of the Canadian Mental Health Association (CMHA)-Central Alberta Region. The Canadian Mental Health Association is one of the oldest non-profit organizations in Canada, and is celebrating its 100th Anniversary on April 26th, 2018. Locally, CMHA has been providing services for over 55 years and fulfills our vision of “mentally healthy people in a healthy society” by providing the following programs and services:

- Mental Health & Wellness Education programs
- Systems Navigation
- HomeLinks
- Buffalo Housing First Community
- Alberta Brain Injury Network
- Assistance for Personal Decision Makers

As per the attached invitation, our agency is hosting a “100 Years of Community” fundraising lunch on April 26th, 2018 from 11:30-1:30 at the Radisson Hotel Red Deer. Attending guests will range from the business community, partner agencies, as well as former staff and volunteers. The lunch will feature guest speakers, door prizes, and a 50/50 draw. We are currently requesting your support in the form of additional door prizes. Options include gift cards with a minimum value of \$25.00, appropriate merchandise, or anything else you feel would be a good fit!

In recognition of your support we will offer your business the following benefits:

- One 5 x 7 sign with your business logo adjacent to your door prize.
- Verbal recognition during the opening remarks and closing remarks at the event.
- One discounted ticket for the event (valued at \$25.00)
- Company name included in post event thank you notice.

We will be following up with businesses the week April 9th-13th to confirm your participation, and make arrangements for pick-up. Please feel free to contact the event organizer, Melissa Brilz, at the number listed above or via email at mbrilz@reddeer.cmha.ab.ca if you have any further questions.

Thank you so much for reviewing our request and we look forward to having you be part of our event!

Sincerely,

Christine Stewart
